MAY 2010 – ISSUE #162

Hey, spring is just around the corner. So, let's see how many springtime analogies, puns and cute, sexy innuendoes we can lace this Editor's intro with? How about this: Her cunt looked like a beautiful flower. A flower so beautiful all I could think of doing was licking it, then sticking my big, fat, swollen cock deep inside it until I shot my load. Then, I had the chick with the pussy like a flower blow me. How's that for a lovely springtime tale? –Editor Malle

DEEP

He dragged his soaked hand from her cunt and up through her slit. Her hips rose to follow, keeping contact for a few moments longer before he withdrew completely. He brought his cum-covered fingers to her mouth and watched as she sucked each digit clean with diligent care, her eyes glued to his face with the worshipful expression of a woman who'd just had a shattering orgasm.

The expression remained as he pulled his fingers away and replaced them with his cock. She kissed and licked around the rim, along the shaft, and into the hole. She was all lips, tongue and throat as she cleaned him and put his hand to her head and pushed forward.

Her eyes watered and her throat tightened at the first touch of his cockhead, but she breathed in through her nose and relaxed her throat, letting him slip deeper. Her jaw was wide and, in the mirror to the side, he could see the position of his cock in her neck as it bulged.

He pivoted his hips forward and back, his balls pressing to her chin, and fucked her mouth like it was a pussy. The whole time, she looked up to him, moaning as if she had a clit back there.

When he came, it was straight into her throat, no sucking, no swallowing—just spurting directly into it. The grunting and puffing against his pubic mound let him know she was cumming with him.

Ya gotta love a girl who loves deep-throating.

RAUNCHY REWARD

**HER HUBBY GETS A
PROMOTION AND
SHE EARNS A DOUBLE
HELPING OF COCK**

Their menage a trois had started as a drunken lark one night. Dan had gotten a job promotion, and to celebrate, he took his wife, Carly, to a steakhouse and invited his friend, Leo, along, too. Although Leo himself was struggling to make a buck in this recession, he was nonetheless a more dominant personality than Dan and always took center stage in any situation. This partly came from the fact that Leo was taller than Dan and also that he spoke with a deep, authoritative voice. The champagne flowed and soon they were sloshed. Leo insisted on paying for the dinner, which annoyed Dan, who had wanted to treat everybody to commemorate his success. Then, when they went back to Dan and

26535

Carly's place for a nightcap, Leo suggested that Carly deserved a special treat for the significant part she'd played in supporting Dan's corporate advancement. "Behind every man is a good woman!" Leo boomed, "And I think Carly deserves a double helping of cock for that! Don't you, Dan? Isn't that every woman's secret fantasy?" Dan had hoped Carly would refuse, but when she looked eager in her tipsy way, he felt it was only good sportsmanship to let her enjoy two dicks on this important occasion.

What Dan didn't expect was that Carly would get addicted to having two men, and soon the "special treat" of a two-cock sandwich became a twice-weekly event. It annoyed Dan that Leo got to enjoy Carly without the responsibilities (and annoyances) of marriage, but Dan just learned to grin and bear it and shoot his load—sometimes only after Leo shot his own all over Carly's ass or face. Yes, Leo was always the powerful alpha male to Dan's more subdued beta, and now Dan was accepting that his best friend would "alpha" his wife Carly two times a week and then go on his merry bachelor way! ♦

Teagan Presley Signs Exclusive Contract With Adam & Eve

Teagan Presley and Adam & Eve announced that Teagan has signed an exclusive contract with the Adam & Eve Pictures.

Teagan, who is the winner of numerous adult industry awards (including "Best Solo Sex Scene" for *Not Bewitched XXX* at AVN, "Favorite Ass" twice at F.A.M.E., and "Best Feature Dancer" at Nightmoves) will now work exclusively for Adam & Eve Pictures and skinworXXX, which is distributed by Adam & Eve.

Teagan is a co-owner of skinworXXX, the rising adult company she co-founded with producer/director Joshua, and which also features fellow co-owner Eva Angelina. The imprint, which is distributed exclusively by Adam & Eve, has released two well-received films in 2009, the all-girl hit *Sun Goddess: Malibu*, and the best reviewed all-sex movie of the year, *Deviance*, which features Eva, Teagan, Sunny Leone, and an all-star cast.

"I'm so excited to be joining Adam & Eve as a contract star," says Teagan.

Luckily, fans don't have to wait to see Teagan in action again, as she has teamed up with another XXX icon and A&E contract star, Bree Olson, in the new blockbuster porn release, *Bree & Teagan*, which is expected to be on the streets by early spring.

Kayden Kross Signs On As Digital Playground Contract Star

Digital Playground announced that they have signed superstar Kayden Kross™ to an exclusive contract. In a press release, DP talked about how Kayden is anxious to take her career to a new level and by joining the Digital Playground roster, the Sacramento, CA native will be able to "redefine herself."

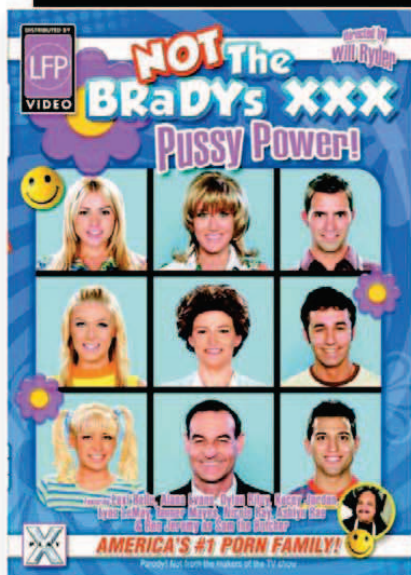

Digital Playground's founder, Joone, is proud to have Kayden with the company. "Kayden is a truly unique personality," he says. She is mysterious yet flirtatious, sexy yet reserved. There is a conundrum surrounding Kayden that draws people to her every move. Kayden will flourish with Digital Playground and really come into her own in front of the camera."

"Digital Playground provides a level of unrivaled creativity and beauty in their movies," states Kayden. "I am really excited for the opportunity to be a part of their original content and believe I can add another fresh, new dimension to the company."

"I want to be pushed to be the best I can be," Kayden continues. "And Digital Playground expects nothing less. I thrive under pressure, and I think Digital Playground will provide the direction and support that I'll need to get there."

Kayden began shooting her first DP release in late January and the release date had not been set at press time.

Revamped Cast Brings Added "Pussy Power" To Brady's XXX

The third and latest chapter in the popular "Brady Bunch" sex series, *Not the Bradys XXX Pussy Power!* is enjoying a highly successful run, and many industry insiders are crediting some young and hot additions to the cast for bringing a new look and energy to the *Bradys XXX* franchise.

Lexi Belle and Dylan Riley have joined the family, playing sisters Marcia and Jan, bringing a young girl look and teenage enthusiasm to the most wholesome family in the country.

X-Play was pushed into making a number of casting changes when Teagan Presley who previously played Marcia opted to perform only with girls. Once that decision was made, it was imperative that middle sister, Jan, remained younger than Marcia so a new Jan was brought in. Dylan Riley, a newcomer to the adult industry, auditioned and won the job.

Rounding out the new cast members are Nicole Ray, Ashlyn Rae and the much-talked-about sex kitten, Tanner Mayes. The rest of the stellar ensemble cast returns for this new episode including Alana Evans, Kacey Jordan, Lynn LeMay, Mike Horner, Kris Slater, James Deen, Mickey Butters and Ron Jeremy as Sam the Butcher.

Pink Visual Puts Your Sexual Conquests On The Map

Pink Visual has come up with a novel use for modern mapping technology: Documenting your sexual exploits.

Pink Visual's, FapMapper is designed to "augment an age-old tradition of boasting about one's sexual conquests," according to Kim Kysar, Brand and Product Manager for the studio. "FapMapper is all about adding a visual and geographic element to your sexual exploits, be they real or fabricated."

While principally designed for use on the iPhone, the FapMapper can also be used on desktop computers. The application detects the user's location, and sets the initial map display, accordingly. Once logged in as a member, the user can search out locations to place "Fap pins" by typing addresses into the seek function. Once a location has been found, the user then clicks "Mark" to set the pin. In the process, the user can leave a comment describing what sex act they engaged in at that location.

At the moment, the only mobile device supported by the FapMapper is the iPhone, but Kysar said that support for additional devices is coming soon.

For more information, visit www.ipinkvisualpass.com/fapmap/.

McLean's 'Alice' Porno Set For Fairytale Run

One of the most anticipated XXX releases of 2010 has to be Erica McLean's epic, *Alice*, an erotically charged adaptation of the Lewis Carroll novels, *Alice in Wonderland* and *Alice Through The Looking-Glass*.

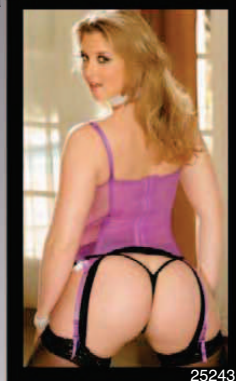

Heavy buzz for *Alice* began last October when McLean and her creative team made news by holding open auditions for the film. The auditions were captured on camera for an upcoming project for cable giant, HBO.

Momentum for *Alice* picked up again in December when the director invited the press to attend the first day of shooting in Los Angeles. The media was blown away by what they saw, and from then on the entire adult industry has been waiting with bated breath for the movie's release date.

Alice stars Sunny Lane in the title role, and joining her is an all-star cast that includes Evan Stone, Faye Reagan, Kimberly Kane and April Flores.

"I will say it's unlike any version of the story you've ever heard before," the director said of her adaptation of the fairytale. "It's taking a lot of focus and determination bringing the vision I have to life. *Alice* is a very special girl, you know?"

Alice will be released through Erica McLean's company, Cheeky Monkey Productions.

Lisa Ann Named Spokesperson For RealTouch

XXX superstar actress, director and AVN Hall of Fame inductee, Lisa Ann, has been named the mainstream adult industry spokesperson for RealTouch, the world's first virtual sex device for men.

Lisa Ann, who most recently became a household name due to her portrayal of Sarah Palin in the *Nailin' Palin* porn parody series, has been traveling the country and making media appearances to help introduce the world to the new age sex product that was created by a NASA-affiliated engineer scientist. This special technology gives men the precise sensation of having relations with the actress he's watching on a video. The device actually attaches to your computer with a USB connection to offer the viewer a sexual release that is synchronized with the action on the screen.

One of the highlights of Lisa Ann's promotional tour for RealTouch was a wild and highly erotic appearance on the Howard Stern satellite radio show.

Check out when Lisa Ann is coming to your town to promote RealTouch and work the runway as a feature dancer by visiting thelisaann.com.

DRIVE ME HOME

Tom and I are in our mid 20's and we have been together for almost three years. The man has the stamina and drive of a stud bull. But, over the last six months or so, we fell into a sexual rut. It would be the same sex at same time, in the same positions. I am deeply in love with him and did not want to lose him to another woman because of increasingly boring sex. I needed to do something different to bring back the burning passion we once knew. It was another boring Friday night as we headed to the movies for the 10th week in a row. I knew exactly what to do and he had no idea what was in store for him that night. I decided I would try something that I haven't done since high school. I suggested we go see a movie that I knew would not be crowded. We strolled into the almost empty theater and sat all the way in the back. Tom did not suspect a thing.

The lights went down and the crappy B movie began. I rested my hand on his thigh for a few minutes. I nibbled on his earlobe as I slid my hand over his crotch. He was wearing a pair of loose sweats and I could feel everything over the soft fabric. I slowly leaned down towards his cock, lowering his pants to just above his knees. His breathing got heavy as his powerful cock leaped out of its hiding place. I leaned into him and began to lick the tip of his massive member while making my way around the head. I worked my way down his long shaft until I engulfed the entire thing in my mouth. Tom desperately tried not to make a sound, but he was so turned on he started moaning. My spit acted as a natural lubricant as I slowly worked my way up and down his pulsating shaft. His arms and legs were shaking as I stroked and sucked his pleasure pole from top to bottom, until I knew he was about blow his nut. He was at the edge of existence when I whispered in his ear, "follow me."

We left the theater and got into the car. Tom begged me to finish him off, but my panties were so wet and I wanted to fuck right then and there.

"You have to wait until we get home." He looked so disappointed and he had no knowledge of the surprise I had planned for him. We drove along the side streets heading towards home. I kept one hand on his aching cock and the other in my gooey panties. I hiked my skirt up high enough, giving him a clear view of what I was doing. I tickled my clit, moving my hips up and down in a fucking motion. I smiled at Tom saying, "These panties are too soaked." I slid them down my long, soft legs, taking them off and throwing them out the window. Tom now had full view of my hot, dripping snatch. I slid my long finger deep inside my twat, massaging my swollen clit with my thumb. I began panting as I brought myself to the brink of ecstasy. Tom's heart was racing feverishly. He was driving in both lanes as he watched me writhe around in the passenger seat. "Pull over!" I screamed. The car came to a

him. I rammed myself up and down over and over his passion-filled cock. He was moaning out of control as I brought him closer and closer to the point of no return. I could feel his body tense and his cock swell. My pelvic muscles tightened my slippery box around him, squeezing his cock so hard until he couldn't take it anymore. He let out one final cry as I milked an explosive creamy load out of him like never before. Tom's head lurched back as he collapsed in total exhaustion.

Don't get me wrong; I'm not this wild every time. As I said, we usually do it the same way, at the same time, in the same position, quite often. Once in a while, though, you need a little kinky twist to get through the more mundane moments.

screeching halt, raising a cloud of dust almost one hundred feet high. I grabbed him by the hair commanding, "Push your seat back—all the way back!" His eyes bulged and his nostrils flared like the stud bull I once knew. At that moment, I mounted his lap. His cock was rock hard and swelled to proportions I'd never seen before. Without hesitation, it had to be put in its place, so I jammed it into my burning wet hole. Tom cried out in pleasure. His powerful hips launched me up and down multiple times. My head bounced off the ceiling of the car, then crashing down onto his lap and thrusting his cock deeper inside of me. I came right away. My pussy pulled and squeezed his massive rod as he begged me to keep riding

THEY INDULGED THEIR
URGES ON VACATION!

Ariel and Suze met on their vacation. They were both on a tour at a remote, Eastern European village—an area so small that it cannot be found on all maps, but nonetheless one of the most picturesque nations in that storied region of the Continent. Staying with the other members of the tour in a bed and breakfast castle not far from the country's capital, they found themselves sharing the same room and soon embracing in the same soft, ancient feather bed as well. Indeed, Lesbianism was a first for these two ladies, despite their Ivy League educations and sophisticated upbringings in New York City; but their Sapphic clinch grew not only out of their natural attraction to each others' loveliness, their silky hair, perfumed skin and graceful gaits—but was also stimulated by the seductively comfortable environment of the castle, especially its rich dinners with an emphasis on wine-accented goulashes and delicately seasoned fresh seafood. They were also lulled

into sensuousness by the remarkably strong Russian-inspired vintages served to accent their meals.

However, it was not history that our heroines thought of while they hungrily licked pussy, rimmed ass, sucked toes, or even just hugged each other with a longing that these moments would never end. All they thought of was the mounting tension that demanded orgasmic release in their cores; a consummation now readily attainable via the diligent tongue and fingerwork at which these tyro dykes had quickly become experts! ♦

The blonde woman is holding a red vibrator in her hand, which is positioned near the red-haired woman's pubic area. The red-haired woman has her mouth open as if in a state of pleasure or arousal. 13 CUM HUNGRY COCKSUCKERS #10

STARRING: Gracie Glam, Summer, Cruz, Jacky Joy, Marie McCray, Aubrey Addams, Lana Violet, Austin Lynn, Brooke Belle, Tatiana Kush, Kelly Skyline, Leenuh Rae, Natalie Norton, Judy Marie, Uncredited male

DIRECTED BY: Uncredited

AVAILABLE FROM: Madness Pictures

Just as the title suggests, thirteen pretty girls suck cock POV-style, while the cameraman records their mouths in motion. Along with the 13 young faces that are more than happy to slobber and suck, comes a porno-sized cock that makes it challenging for the sexy mouths to fit around. This part helps to make it a great oral release for fans of this genre. Despite

it being more of an amateur-type production, the lighting, coverage, and overall quality are quite good.

Although each of the girls does a great job in their respective scenes, a few cocksuckers really stand out. Gracie Glam, the coverbabe, is one such sucker. Before any oral action is given, she seduces the viewer with awesome solo play that includes loads of dirty talk. She then devours the dick and ends with her first swallowing scene ever!

Brooke Belle is another babe who truly knows how to navigate her way around a joystick. She strokes the shaft and tickles the dick hole with her tongue before leaving a slobbery mess in her wake. Even though it's great, it's her story about sucking cock in

church that really gets the blood flowing.

Leenuh Rae is another cutie with great skills. Her brace face is adorable and her technique is well seasoned, despite her 18 years.

It's hot! It's realistic! It's all oral!

EXTRAS:

Listening to the cocksuckers tell silly jokes while naked is totally AWESOME! In addition, the blooper reel will have you in stitches, along with the behind the scenes coverage that shows the girls getting direction before their scenes. The stills gallery is worth a peek, as are the trailers for upcoming attractions.

MY FANTASY GIRLS P.O.V. #3

STARRING: Alexis Texas, Angelina Ash, Priya Rai, Sara Stone, Aletta Ocean, Mike Adriano
DIRECTED BY: Mike Adriano
AVAILABLE FROM: New Sensations

What better way to accentuate starlets than to dress them up in fantasy costumes and set them loose on performer/director Mike Adriano for a point of view offering that is as fun loving as it is fresh.

European beauty, Aletta Ocean begins the show as an Indian girl by spearing Adriano's arrow down her pretty throat. She later shoves his toma-cock up her ass and keeps it there before it resurfaces sticky and wet.

After that, Angelina Ash gets our engines revving when she dresses like a racer girl. After posing by a supped up hot rod, Angelina rides Adriano in pole position although she never really seems to get her ass out of second gear. Next!

This is clearly not the case for Alexis Texas who plays the role of an aggressive boxer. She, on the other hand, dazzles Adriano with a heavy hitter ass dance and big booty shakedown. She follows that up with hot vaginal sex and plenty of eye contact that makes it impossible to take your eyes off this knockout.

Meanwhile, Priya Rai's strip search session is incredibly charged. What ensues is

the hottest fucking displayed on this release, followed by a healthy pop shot that she happily slurps up.

Watching Sara Stone shake her titties in the kitchen is also quite hot, although her vaginal play never rises to more than luke-warm status.

★★★

EXTRAS:

A bonus scene starring Criss Strokes and Angel Cummings is a hot attraction to look forward to, as are the trailers for coming attractions. Also enjoyable, is the well-stocked bank of sexy pictures that chronicle the action just in case you missed it the first time around. It's all good, just not great!

★★★

HOT N' SEXY

STARRING: Shyla Stylez, Jayden Jaymes, Kagney Linn Karter, London Keyes, Priya Rai, Mackenzie Pierce, Sascha, Justice Young, James Deen, Anthony Hardwood

DIRECTED BY: Ivan

AVAILABLE FROM: Anabolic Digital

Although there are brief tease sessions with each of the girls beforehand, this production is more about getting straight to the fucking by delivering pure jerk off style porn.

Shyla Stylez begins by getting down with Sascha. She gets it hard repeatedly, although never in her ass. Being such a asshole whore—and with so many anal scenes to her

credit—her scene is still strong despite the fact that her ass does not get hammered.

London Keyes continues the show by hosing off a car before she hoes down Justice Young with hot oral and vaginal action. This wanton is spicy from the start and made better once his soy sauce is served.

Although Kagney Linn Karter is as sexy as they come, her scene felt a bit uninspired. Sascha held his own and fucked her well, coming two separate times, but her noticeably dry pussy is very hard to forgive.

Who does hold her own is Priya Rai when she goes full throttle to deliver the hottest scene of the movie. She gets dicked in unusual positions and proves to be ready for any-

thing that Anthony Hardwood throws at her.

Jayden Jaymes is also smokin' hot in her tryst with Justice Young, while greedy Mackenzie Pierce proves that two cocks are always better than one.

★★★

EXTRAS:

Along with worthwhile behind the scene coverage of the sexy girls, there is a nicely presented stills gallery displaying hardcore images and a pop shot button that leads you back to the squirting action. Although entertaining, the real star here is the "sexy eating" montage that shows the girls sucking on Popsicles and fruit bowls. Delicious!

★★★

KITTENS & COUGARS

STARRING: Lexi Belle, Julia Ann, Charlie Laine, Francesca Le, Tori Black, Michelle Lay, Roxanne Hall, Ashli Orion, Alice Bell, Debi Diamond

DIRECTED BY: Mike Quasar

AVAILABLE FROM: Zero Tolerance

Although the young girl market and the MILF/cougar craze are both exceptionally popular genres in porn productions, very few companies have successfully merged the two categories together to deliver the audience the best of both worlds. Smart enough to capitalize and showcase this incredible new niche is director, Mike Quasar.

The show begins with Alice Bell strip-

ping for Debi Diamond—remember her? Even though Debi tries to play it cool by simply watching, she can't help but run her wild tongue over Alice's voluptuous curves and pussy with explosive results.

The sweet love divvied out between Charlie Laine and Francesca Le is equally as hot, although presented in a much milder format. Together the girls bang it out, but keep it pretty for the camera.

One of the hottest scenes of the movie is up next and stars Julia Ann and Lexi Belle. When the two converge, expect fireworks and enough blood flow to keep you charged for an entire week. With palpable sexual chemistry, these two cut through the age

barriers and simply deliver hot lesbian sex.

The same can be said for the amazingly hot scene that has Tori Lane and Michelle Lay splashing around and getting dirty in a bathtub. Roxanne Hall and Ashli Orion finish things off with enough pussy power to solidify this release as a surefire winner!

★★★★★

EXTRAS:

Although the extras are quite limited, what they do include is well presented BTS footage that is quite entertaining, a bank of erotic still images, and trailers for upcoming attractions. You'd be better off by pushing play and starting the movie all over again.

★★

STROKE IT

STARRING: Meggan Mallone, Sindee Jennings, Courtney James, Kristina Rose, Sara Faye, Voodoo, James Deen, Tommy Gunn, Evan Stone, Ramon Nomar

DIRECTED BY: B. Skow

AVAILABLE FROM: Vivid Entertainment

Meggan Mallone, pre-boob job, really shines in this wall-to-wall release. Not only are her sex scenes surprisingly hot, but her introductory tease sessions are riddled with enticing spread shots and playful banter with the camera. Other tasty starlets help to complete the line-up.

Although Meggan has good results with James Deen, her contract star-worth is better actualized in her scene with Voodoo. When

those two converge, a small explosion ensues that leaves Meggan panting. The action briefly pauses when her pussy is drenched with lube. After the pounding she had been receiving, I would have hoped that she'd be naturally wet and not in the need of synthetic moisture. It's a minor letdown.

Also strong is her pairing with Tommy Gunn. He, in turn, works her over quite nicely and is successful at making her bee-stung titties bounce; although they are mere skeeter bites on her chest.

Later, Evan Stone performs in a POV-ish style scene. He does an amazing job of riding out the holes of Sindee Jennings and Courtney James. Together the starlets eat this boy alive. This makes for a great segue

into watching Kristina Rose's lovely camel toe display. Her sex with Ramon is even hotter than her pink pussy.

Finally, Sara Faye's shave session is super slick and adds to the playful vibe of the show.

★★★★★

EXTRAS:

Besides having the opportunity to check out the girls at play behind the scenes, there are also great fuck shots to hold your attention, and plenty of ads for Vivid products. The best extra, however, is the bonus sex scene that has Meggan Mallone and Hanna Hilton sucking on Popsicles before turning on each other and then James Deen. Yeah, it's hot!

★★★★★

YOU'RE NAILIN' PALIN

STARRING: Lisa Ann, Alexis Texas, Jay Lassiter, Chris Charming
DIRECTED BY: Axel Braun
AVAILABLE FROM: LFP Video

In what is the next generation of the Nailin' Palin franchise, award-winning director, Axel Braun, turns his latest project into an interactive odyssey that includes plenty of expected thrills and spills. Lisa Ann reprises her role of former Alaska Governor, Sarah Palin, while the inclusion of Alexis Texas as Miss California, Carrie Prejean, is just icing on the cake.

Just as the DVD promises, this fully interactive experience places the viewer in the hot

seat the entire time. Included are amply tease sessions provided by Ms. Palin herself. So, what would you like to see first? How about watching Lisa Ann play with her watermelon tits or pour oil down her bubble butt? Both are available, along with a slew of other options.

Although the teases are very enticing, the hot sex is the standout attraction here. Before the show is over, Lisa Ann gets fucked hard, POV style, by two separate cocks. She does her best work however when taking a stiff pole up her ass in a few heated positions. She later rises to the occasion when including Alexis into her naughty lesbian play. Together they slobber on a thick cock, getting fucked in a few positions each before the cum is divvied

out between the two. As usual, you are in charge of the positions and even the placement of the pop. Screwing the government never looked so good. ★★★★★

EXTRAS:

The behind the scenes action is second to none and proves to be almost as entertaining as the movie itself. Lisa Ann and Alexis Texas really come to life off camera, which is always great to watch. Also included is a bank of awesome production stills found in slideshow format, and extra clips from the cutting room floor. It's one helluva party and you're all invited!

Blow Me!

Few things in the world compare with the thrill of receiving a fantastic blowjob. The mere image of a wet tongue slithering up a hard shaft or the thought of a hot mouth cradling a big set of nuts has undoubtedly been a recurring fantasy played out by men since the beginning of time. And although some may argue that any blowjob is better than no blowjob at all, these tasty porn stars are here to describe their personal techniques for sucking cock and reveal how they've turned America's favorite pastime into an art form. With expert mouths, deep throats and insatiable penchants for all things penis, it's time for these hardcore honeys to pucker up show us all how they can suck and blow!

Tera Patrick

Delivering the perfect blowjob is easy to describe. First, you need to take the cock deep into your throat to get it extra wet. Then, use your hands to stroke up the shaft and twist at the top. Also, don't forget to flick your tongue while you suck at the same time. Balls are a personal preference. If the guy likes their balls played with then I'll stroke and cradle them gently with my hand while I continue to slurp and suck. If you do that, you're golden. My technique works like a charm.

www.terapattick.com

Ashlynn Brooke

I consider cock sucking to be an art form. I love knowing that my mouth has what it takes to make a man explode. I love feeling a man tense up and quiver right before he's about to unload. I always try to include my hands and never neglect the balls or scrotum. Eye contact is essential. It helps me stay connected with my partner. By the time I'm done sucking him off, my pussy is dripping wet. Honestly, I like all cocks in different shapes and sizes...big, small and curved. I have no preference.

Since I have no gag reflex at all, I can shove an entire cock down the back of my throat! You can literally hear it click its way down. The clicking sound really turns the guys on. No cock is too big for me to swallow. Seriously, bring 'em on!
www.devonxxx.com

Kendall Brooks

Blowjobs are what I'm best at sexually. I'm known for having the hugest mouth in the industry. I can wrap my lips around any cock, no matter how large. I have an orca mouth, like a fucking whale. I do have a gag reflex though, so during deep throats I have to take my time and suck the dick down slow. But hey, that's not necessarily a bad thing...right? I also use a ton of spit. I've been told I have excellent technique.

Tori Black

I am a drooler. I am known for giving sloppy head. I can't stand a dry blowjob. This doesn't mean that I drool like a St. Bernard, but it will definitely be nice and wet. I love to incorporate both of my hands and play with his balls as I suck. I read a man's body language and incorporate all of those cues when pleasing him. I also understand that blowjobs are very visual, so maintaining good eye contact is a must. This will help solidify us as a unit. This also needs to be reciprocated if he's going down on me. Watching someone get dirty or kinky with my pussy is a huge turn on.

Now, James Deen has got a great cock. He really gets into it and has a fabulous sexual mentality. Manuel Ferrara is another good one because he is such a challenge for me. He's so big that my jaw has to practically come unhinged to fit him inside. The challenge of Manuel makes me wet. Hey, I once fit Shane Diesel in my mouth! I don't know how I did that one but I did. I guess all the planets must have been aligned that day. Well, that was the only place he was fitting. It was either my mouth hole or no hole at all.

Maya Gates

The thought of decorating a man's cock with whipped cream and sucking it off drives me wild. I absolutely love sucking on cocks, especially sugary sweet ones. The visual is very erotic, don't you think? Imagine me with lots of white cream dripping from my mouth. Lucky for me, I have yet to meet a male performer who didn't fuck me right. These men are trained professionals and have a lot of experience getting girls off, although John Strong made me cum twice! I like sucking his cock.

25567

Nautica Thorn

I have a special blowjob technique that works like a charm. At first, I like to use one hand to squeeze the base of his cock, while the other hand is playing with the balls. You can't ever neglect the balls! While all of this is going on, my mouth is continually sucking hard. You have to multitask. The male performers who I love using this technique on is Randy Spears, Chris Cannon, and Charles Dera. Fuck, Charles is hot. Oh, and Tommy Gunn. One must never forget Tommy Gunn!

Jesse Jane

I love to suck cock! I love blowjobs. Cocks are like a big fucking Popsicles that I can't get enough of. I'm known for giving good head. I think it's fun. I use my hands for the corkscrew method, sucking and jacking off at the same time. I also play with the balls, lick the tip of the dick-hole, and blow on it because it makes it harder, longer. I love when men jump and tremble. Evan Stone has always been one of my favorites to work with. Jean Val Jean is another favorite. It should be illegal for a man to be that fine. Jean makes me cum and I love watching both of them fuck. Jean's cum also tastes good. Fuck, I really want a cock!

Eva Angelina

I'm a master at deep throat. I also make good use of both my hands, spiraling around the shaft while I suck. I love sucking and spending a lot of time on the head. I used to gag at first, but now I'm able to open up my throat and let the meat slide down. Now, the perfect cock to suck is one that is not too thick. If it's too thick, then I can't deep throat. I'm also a size queen who loves length and a good-sized head. I actually prefer uncircumcised dicks. Those cocks are perfect. I love jacking them off using the foreskin.

www.evaangelinaonline.com

23215

Briana Banks

My perfect way of giving head is to start slow and tease the cock. I like to suck and lick around the balls and shaft, getting it nice and wet. I want to make the guy crazy for my mouth. I'll slowly inch my way down until he's completely down my neck. I'm also a big spitter. I like things wet!

INTERVIEW

By: Emma Edwards

SHAWNNA LENEE

Birth Date: April 12

Birth Place: Cleveland, Ohio

Height: 5'2"

Weight: 105 Lbs.

Measurements: 32D-25-35

When was the last time you had sex? Was it good?

I had sex on film two days ago but sadly, it wasn't that great because I wasn't into the guy. I haven't had sex in my personal life in a few weeks. The last time was a booty call that turned out to be rather great. The guy was really hot. And just to be clear, I was the one who made the call. I was the initiator and was in charge from the start.

What did you do before becoming a porn star?

My first job was at Wendy's. I was the girl who handed out the bag from the drive-thru window and wished the customers a good day. My manager thought I had a great smile for that. I purposely sucked at cooking because that's not what I wanted to do. Since I wasn't getting enough hours there, I started working as a cashier at Panera Bread. Again, I sucked at cooking. I couldn't even get the bagels out of the oven correctly. Porn has definitely been the better choice for me, as opposed to restaurants.

What technique do you enjoy when someone is going down on you?

A person needs to definitely pay attention to my G-spot but not rub it too hard. Some guys also have nails that are too long, so trimming them down would be a good idea. Since I love my clit to be pressed, that would have to be included in the perfect technique. So, if you press my clit with your tongue and put pressure on my G-spot with your fingers, I'm going to cum all over your face. Really boys, my pussy gets really wet!

Ideally, how often would you like to have sex?

I would love to have sex at least two times a day. That doesn't happen all of the time, so instead I find myself masturbating a couple of times a day. Once in the morning, once in the afternoon, and once before bed. I guess I'm more of a solo type of girl. Most of the guys who get to have me are really fucking lucky, because that rarely happens.

Describe the perfect cock.

It has to be about six or seven inches with plenty of girth. If their cock is any longer than that, it hits my cervix and hurts. I also love when cocks get rock hard and the veins pop out. A hard cock turns me on.

26593

Which performer has such a cock?

Tommy Gunn. Actually, his was the cock I was describing to you. It is perfect and he knows exactly how to use it. Luckily for me, I get to fuck the shit out of him today! I can't wait. Tommy is one of my all time favorites.

What do you like to use when you masturbate?

I use a rabbit that has vibrating ears. The ears form a 'V' shape around my clit and I get off on the vibration. I also love using a dildo that vibrates as well. I get so into it and have definitely perfected my technique.

How often do you diddle your middle and what do you fantasize about?

I get off on watching porn. I try to find porn with performers I do not know. It gets challenging sometimes, but it's all part of the fun. Other times I think about fucking a black guy, or ten guys at once. It all depends on my mood. It's safe

to say there is a wide range of possibilities that I fantasize about. My biggest fantasy of all, however, is fucking country singer, Jesse McCartney!

Speaking about black guys, have you ever fucked one?

Oh yeah! I fucked Shane Diesel a couple of times. I didn't really have an issue, although my pussy hurt afterwards. I was so into him. Right before I worked with another guy, he told me that he saw me fuck Shane Diesel. After our sex, he also said that my pussy was like brand new again. I was tight the very next day. I guess I have all of my contracting orgasms to thank for that!

What's the most spontaneous sex you've ever had in your personal life?

I once went over to a guy's apartment. He told me that the only way I could come inside is if I would allow him to dominate me. I had two choices, I could either walk away or get

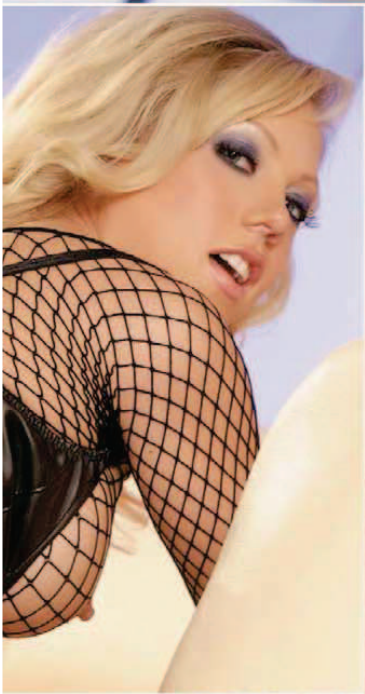

completely fucked. Of course, I walked in. Once inside I was tied up, blindfolded, spanked, and fucked. I wished the experience could have been a bit longer because I was so turned on. I don't really engage in that kind of sex that often. That side of me comes out very rarely.

Does it turn you on to know that people are watching you have sex?

Yes it does. I imagine that the camera is my lover. When action is called, I begin to make love to the camera. My face and demeanor changes. I turn into a seductress and imagine millions of people watching. I don't think I could let people

because I don't really see myself doing it. I think I'll leave that up to the girls that love doing it like Tory Lane. She tears it up. How could I compete? If I did do it on camera, I would have to learn so many new things, positions, and techniques. I'm really into vaginal sex. I think I'll stick with what I'm best at.

What type of woman turns you on?

I love blondes with fake boobs. Since I love to dominate the girls I am with, she would have to be my size or smaller. It's too hard for me to dominate a girl who is bigger than me. I'm definitely the initiator in most situations. I've had lots of girlfriends and seduce them by asking them out to dinner then over to my house for some dessert. You know what—I go for brunettes, red-heads, whatever. I'll take them all. I love women!

Which female performer makes you the horniest?

Tory Lane makes me so hot. She's one of the only women I love to watch in porn movies. She is excellent at what she does. She's very creative and original with her sex and I love her for it.

Who in porn are you dying to work with but haven't yet?

Monique Alexander drives me wild. She is so beautiful and sexy. Sadly, I haven't had the opportunity to fuck her yet. I met

watch me in my personal life though. Since I have no lover in my real life, the camera and my fans are all I've got.

Who would you like to invite to the perfect orgy?

I would definitely take Tommy Gunn and everybody else on my call list. Monique Alexander would definitely be there, Hunter Bryce, Angelina Valentine, Sarah Vandella, Ruby Reyes, Anthony Rosano and Bill Bailey. Does that sound good?

Do you have anal in your personal life? Will you ever do it on camera?

I've only done anal once in my life. That happened two years ago. I guess you can say I'm an anal virgin all over again. I don't think I'll do it on camera

her a couple of weeks ago and we are already able to finish each other's sentences. We are hosting a party together this weekend. Perhaps the tides will change in my favor. Really, as long as they're good looking I'll do them.

Do you like to play dress up for your lovers?

I've never done that. I've talked about it but have never followed through. The idea of having a guy break in and kidnap me is rather hot. I would love to be the victim in that situation because I love being dominated by my men. I dominate girls and men dominate me.

Besides the kidnapping victim, what other characters would you like to become?

Aside from the hostage scenario, it is always fun to be the cheerleader or the schoolgirl. I love playing the innocent victim. "Oh big man, teach this little girl some new tricks!"

What do you enjoy doing in your spare time?

I love to read, work on my blog, web design, and play video games. I also love watching the news, although it kind of freaks me out sometimes. I have this fear of being abducted or kidnapped, which is rather strange since that is also one of the scenarios I would like to play out. I just look really young for my age. My little body and freckles help me to look younger than I really am. I'm 22 everybody...not 17!

What are you best at sexually?

I'm great at cumming on cocks and giving great eye contact. I'm also very good at squeezing my pussy muscles tight around a guy's cock. I love watching their faces while I do it. It's fun for me to fuck around with them like that. They love it.

Describe the Shawna Lenée blowjob experience.

Although spit can get really messy, I love to use a lot of spit. From here, I shove the dick into the back of my throat but not to the point where my eyes tear up. I don't like that so much. I also like to play and lick the balls a little bit. When I lick their balls and jack the head off at the same time, I really drive the boys crazy.

Do you ever incorporate food into your sex life?

I've never done that either. I guess this makes me one of the most prudish porn stars there is. I guess you can classify me as a conservative porn star. Oh well, this just means I'll have new things to look forward to one day. Perhaps this is something I can share when my perfect prince or princess charming comes along.

Do you remember details about your first lesbian experience?

I had my first girlfriend before I had my first boyfriend. We would kiss each other in front of guys and sleep together. It wasn't until a bit later that I pulled her pants down and ate her

out. It was a great first taste. She got me hooked on pussy but later dumped me for a guy. How sad!

So when you settle down into bed at night who would you rather settle down with- a guy or a girl?

Definitely a girl. Guys take up too much of my bed. I hate sharing my bed with a guy. I'm a pushover for any girl. She can have whatever she wants of mine, but a guy...not so much. The guy doesn't get anything. I don't mean to be like that but I like what I like.

What is the most sensitive part of your body?

My clit is the most sensitive part. I love it when a person goes straight for my clit. My nipples are not too sensitive. You can roll them and twist them around and...nothing. But my clit, now that's another story.

Do you have any fetishes that turn you on?

I don't really have any fetishes. Instead, I like to go out to dinner and then have the guy play videogames with me for a few hours before he initiates the sex. I'm simple like that.

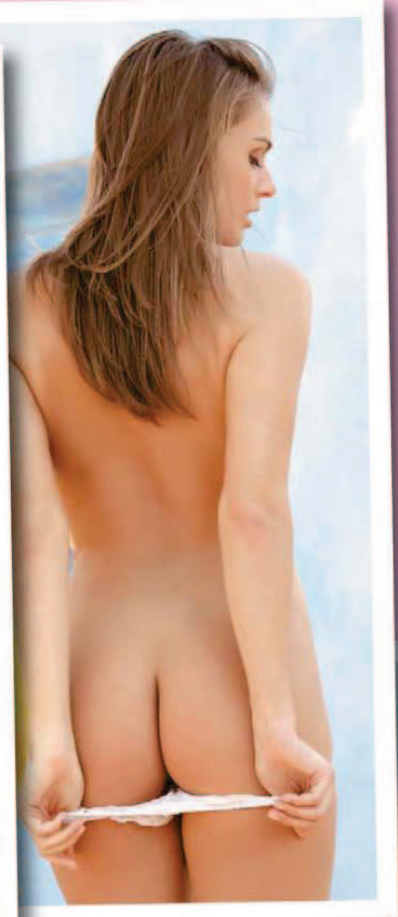

What do you do to prepare for a scene?

I like to masturbate before my scenes. I want my pussy to be open instead of super tight. Honestly, I think that may just be an excuse to fuck myself even more than I already do. (laughing)

Tori is not like some other glamorous girls these days that compulsively grab the most handsome guys to meat and mate with. One theory bandied about our office is that a really beautiful girl dates an impossibly good-looking dude only because she is actually an extremely insecure person who needs to reassure herself that she is, indeed, a hottie! If she were confident in her good looks (as so many beautiful babes sadly are not), she would instead go out with average-looking guys, proof positive that she doesn't have to show-off anything to herself or anybody else.

We suppose it could also be argued that gorgeous chicks just want gorgeous guys for the obvious reasons that any female does, but to examine that further would put a hole in our theory, so let's just bury that for now.

Anyway, Tori has total belief in her hotness and allure, and would never think of dating any guy who could possibly be eligible for the cover of a magazine. She looks for guys who rate between B and C on the looks scale, feeling that they are firstly, better lovers, and secondly, more appreciative of her. She learned the hard way by going out with a celebrity stud and realized that the A-listers simply do not deliver the kind of quality attention she deserves—especially when it comes to pussy-eating and ass-licking.

All this is to say that regular Joes all have a chance with stunning babes who are beautiful but not narcissistic, and who know they're desirable but don't abuse the privilege! ♣

WATCH HER EVERY MOVE

**EDITH LOVES
TO FUCK FOR
AN AUDIENCE!**

Some girls, like Edith, have a need to be watched. It's never enough for her to just have sex. She likes to know that there are guys who take pleasure in watching her fuck and suck. When she can, she gets a second gent in the bedroom to sit off to the side and be her voyeur.

When Edith started fooling around with Bobby, she asked if he had a friend he could bring over for an audience. Bobby said she was crazy and told her to get back to sucking his dick. However, Edith told him she was serious and that she liked giving a show to voyeurs, especially when they got so excited they started stroking their cocks. Bobby told her they could talk about it another time and slipped his shaft back into her mouth. She sucked him to a big cum and it seemed to Bobby like the issue was put to rest.

Except that the issue was still fresh in her mind. Edith kept bringing it up and wanted Bobby to get one of his friends to come over and watch her get banged. Bobby told her conclusively that the answer was no, and then he turned her over and slipped his dick into her doggie style. She seemed to forget about the whole thing, judging by how hard she came from his thrusting.

Although she never brought it up again, it wasn't a dead issue. And even as Edith spreads for Bobby now almost daily—he can't get enough of her juicy, soft, curvy body, and those sensational tits. She sometimes looks out from her position on the bed and imagines a pair of horny eyes watching her—being teased by her—yearning to touch her—a voyeur's eyes—and that makes her orgasms all the stronger. Just don't tell Bobby that! ♡

How To Be a

No matter how hard most guys try, it seems that some men have all the luck. Scoring women for these select few is as easy as, well...pie! Expensive cologne, hours at the gym, or money spent trying to improve themselves doesn't seem to get chicks flocking to their pasture. Perhaps it's a power thing—maybe they drive the right car, or perchance they've got Superman pheromones that have the ability to make panties drop on the spot? Since most of the male population doesn't have such luck, money, or scent, what can the Average Joe do to score a little tail? Thankfully, the directing duo of Spock Buchton and Brian Bangs have aligned with Zero Tolerance to solve this crippling dilemma in their latest comedic endeavor called *How To Be a Ladies Man*. In it, they've designed an airtight program, full of tried and true techniques that are sure to get you laid, or at least score you a handjob in the Taco Bell parking lot. With that said, it's time to place your pencil in your hand and listen up. Your lesson in pussy catchin' starts now!

Lesson One- "Cool & Cooler"

This lesson begins with Anthony Rosano dropping by to pay Bobbi Starr a visit. The first time around, he kills her with kindness and unknowingly enters "Friend City," making the chances of fucking her nearly impossible. As per Buckton's expert instruction, he enters again, this time showing Bobbi who's boss by acting nonchalant and aloof. As can be expected, the play works like a charm and has Bobbi Starr on her knees sucking back his cock in no time at all. With spit pouring from her mouth and over her

hands, Bobbie paws, nibbles, and sucks her way to the base of Anthony's boner. Once dripping with spit, she places a chokehold over his mushroom tip and softly pumps her hands until his wiener plumps up like a frank. "I'm gonna tear you up!" she messes into his hairy hole. It isn't until she parks her asshole on his stick in spoon position, that we become excitingly aware of which hole she's prepared! Like a moth to a flame, Bobbi's ass connects with minimal effort. Anthony wraps his arms around her sides and beats his bat into her butt until it starts to sputter. "Aww baby, just like that!" she purrs.

After twenty solid minutes of amazing cock sucking action, Bobbi spits a wad of saliva onto her fingertips then massages the

mess into her hairy hole. It isn't until she parks her asshole on his stick in spoon position, that we become excitingly aware of which hole she's prepared! Like a moth to a flame, Bobbi's ass connects with minimal effort. Anthony wraps his arms around her sides and beats his bat into her butt until it starts to sputter. "Aww baby, just like that!" she purrs.

"It's just so fucking tight!" Anthony calls out several times before bending her over in doggie to try out her curves from an entirely new angle. Here, he really gains his stride and has her screaming as she pulls on her thick patch of pussy fuzz down below. With fucking that is too intense at times for the slippery leather sofa to contend with, Anthony solidly connects with the floor. After working her holes over in a few other positions, he pulls out and glazes the ass-goddess like a donut!

Lesson Two- "The Inside Job"

While at a French restaurant, James Deen tries to paw his way to Isis Taylor's heart by repeatedly touching her. When his octopus hands turn her off instead of on, he enlists the help of his friend, the security guard, to get things moving in the right direction. The guard then escorts the couple into the backroom, telling them they must fuck in order to hold up to French tradition and the restaurant's reputation. When the guard also reveals another unsavory alternative, Isis has no choice but to spread open and welcome James inside. Sounds sneaky, right? Exactly!

Obviously aroused by the idiocy of this mock setup, Isis is already soaking wet when her panties come down. After a few cock sucks to get James lubed up, Isis leans her body back into the leather armchair and pulls James into position. Like a strategic missile, James connects perfectly with Isis' wet spot and begins to rock n' roll between her meaty thighs. "Fuck, you're a sexy girl!" James whispers as his hips continue to buck and bang.

Once her pussy is acclimated to his length, Isis throws her left leg over James's shoulder and massages her hands into her tits while her body

glistens with sweat. "Go deeper," she begs, as her caramel colored pussy fluffs up like freshly baked sticky buns, signaling the gush that's moments away. While nearing her orgasmic peek, James maintains constant pressure on her until finally...she pops! As she screams and creams her delights, James rolls her onto her knees where he continues to pound her round in doggie.

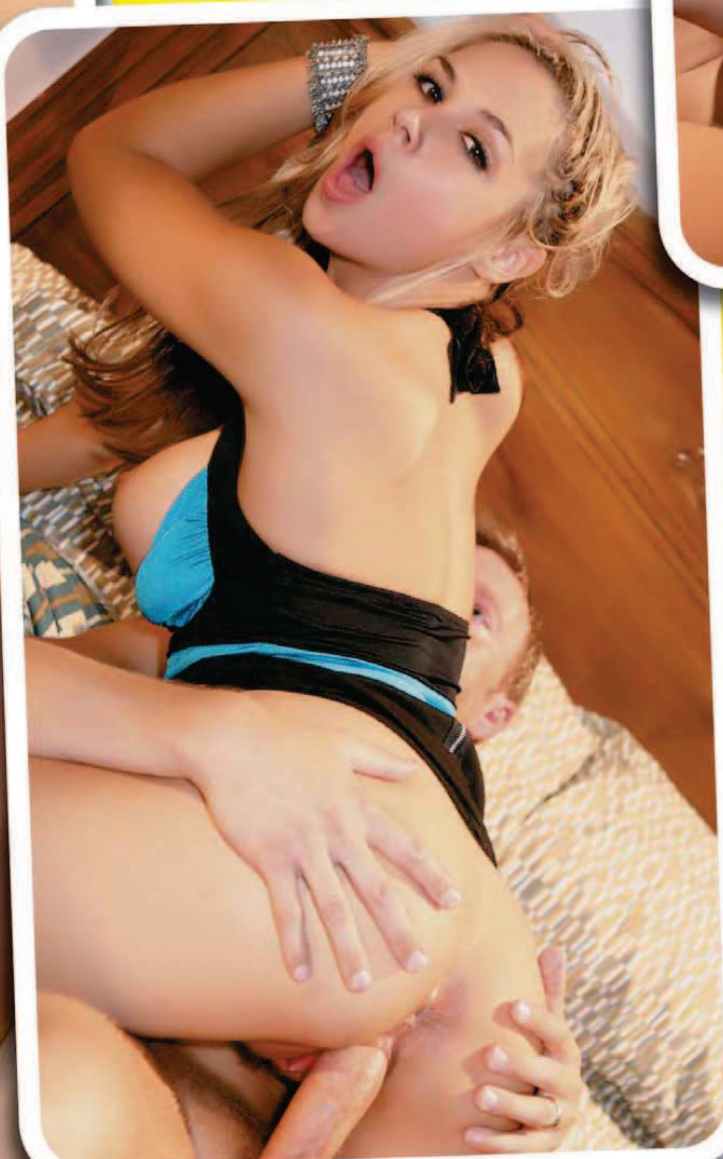

She happily endures his cock poking for a few more minutes before his icing hits her lips and the tips of her nips with his creamy homemade frosting!

Lesson Three- "The Bad Boy Club"

Since it is a widely known fact that most girls dig bad boys, Buckton and Bangs advise that instead of being sweet, one should succumb to bad boy-isms in order to tickle some trim. This ridiculous scenario comes to fruition in a nightclub where Tommy Gunn acts like a total douchebag in order to win Monique Alexander's affection. With lewd behavior and a mouth full of smokes, his outrageous bravado actually works. In fact, he's so mean that he lies on the leopard sofa and lets her come to him!

With an open mouth, she inches onto the sofa and begins to power plug his meat with her plump lips. He reaches around her slender body, pulls her panties up, then snaps them back into place while she continues to wrap her lips around his pole and suck. "Do you like the way my fucking mouth feels?" she practically snarls, as his fingers begin to make their way up her gooey gash. "Fuck yeah," he answers, scooting his fingers out to lick up the cooze that's collected underneath his fingernails.

Without the need of instruction, Monique positions herself on

top of Tommy's lap and begins to swirl her hips in a circular motion, rising up every now and again to show off her gaping pussy to the crowd. With expert camera angles that are wedged right up against the action, Monique plays up her stride until she quivers.

Tommy, who is seemingly enamored with her aggressive ride, later decides to take things into his own hands when he stretches her out on her side to keep the action going in spoon. With outstretched legs and her thick labia flapping in the wind, Tommy fucks her hard and fast until his balls begin to tighten. On the edge of no return, he sets Monique up in front of him and adds his protein paste to her pretty face. Perfect shot!

Lesson Four- "How To Be A Ladies Man"

When the action clears up from the previous set, Rocco Reed takes Kimberly Kane to an expensive restaurant, a place where Buckton and Bangs feel most men will have the best chance of achieving pussy success. Right from the start, Rocco acts like a total tool by throwing his lame successes into Kimberly's face as a way of arousing her. He even persuades her into ordering the most expensive item on the menu, insisting that she pay for the entire date in the end. With an ingenious script that makes this setup hysterical, Kimberly agrees and ultimately gives up her asshole in the process!

Like the hot action that came before, Kimberly starts on her knees by chewing on Rocco's sausage, which is coincidentally the best oral action featured in this production.

She licks and fondles his balls with her candy pink tongue while maintaining piercing eye contact with him throughout. "You look so good with my cock in your mouth," He compliments, while brushing her hair from her eyes. It's a gentle gesture and a far cry from the asshole he started as.

Clearly turned on by sucking cock, Kimberly begins to play with her asshole by sinking into the leather booth and spreading her legs open. Rocco slides the table aside and parks his pole inside her pucker. She winces when he first enters, then glazes over with excitement. "You're making my asshole feel so good!" she sighs, as he continues to work up a rich anal froth around her rim.

After spending ample time in this position, Kimberly gives her butthole a rest and enlists the help of her pussy to finish the job. With swiveling hips and a tight grip on the top of the booth, Kimberly works her magic until Rocco starts to huff and puff. When he can't hold his seed in any longer, he shoots his crème brulee inside of her waiting mouth. The results are quite sweet indeed!

With a few more lessons yet to learn, my time on set ends here. The final lesson has Mark Wood gaining private access into Zero Tolerance's new contract darling, Sara Sloane's sexy slit in a scene that Buckton and Bangs continue to rave about. With a girl as fine as Sara on the line, one can expect no less than a parade of fireworks! In fact, with these surefire lessons that are sure to score you some choice coochie as well, expect to be creating some major fireworks of your own. Until then, keep your eyes open and your pants loose. You never know when it'll be your turn to step up to the plate and become the ultimate ladies man! ♡

EXECUTIVE DECISION

I am in my mid 30's and in excellent shape for a MILF. I have a wonderful family and have always considered myself a very fortunate woman—until recently. My husband, Edward, is a Fortune 500 executive. Lately he has been working late hours and even going in on Saturdays. He tells me there are important deadlines to be made and there's a lot of stress on him. What a liar! I know that bastard is fucking that hot little slut with the big tits he hired last year. I decided that I am going to fix his ass! Just as I was thinking about what to do to him, the doorbell rang. I still had my bathrobe on and was embarrassed to answer it, but I did anyway. What a surprise, it was Rick, Ed's assistant. Rick said, "Oh I'm sorry, did I catch you at a bad time?" "Not at all," I said, as I noticed him glaring into my robe at my firm tits. "Ed told me to stop by and pick up his spare briefcase. It has some important papers in it and he is going to be working even later tonight. I don't know why he's working so much. We're not that busy right now and he's making that poor new girl work late, too." My face turned red with anger as my suspicion proved to be true. At that moment, Rick asked me if I was okay. I noticed he could not take his eyes off the opening in my robe as I saw his love lump filling the space in his pants. My god it looked like he was hiding a flashlight! I looked at him and said, "Are you good at keeping a secret?" "Of course I am," He whispered. I grabbed him by the tie and pulled him towards me giving him a big, sloppy, wet kiss. Our tongues were playing tonsil hockey at a rapid pace. I patted his pants with my thighs while we were kissing and felt his massive trouser trout trying to bust through. He worked his hand down to my soft, shaved kitty, stroking my lips with his fingers which soon became slick with the nectar of my pussy. I slid my hand inside of his pants and began playing with his cock. I felt the throbbing intensity of his pulsating organ knowing how much energy was inside just waiting to be unleashed. I squeezed his cock as I leaned into his ear, nibbling on it and begged, "Lick my twat." He had full access to my creamy slit. Rick took advantage of the invitation, fingering me and slipping his tongue deeper into my hole. His tongue was like a bold weapon thrusting back and forth, curving side to side, and coating him with a barrage of hot, milky juice. I refused to climax, vowing I would only cum as a last resort. He fluttered his magic tongue at increasing speed until he knew I had to cum. I couldn't hold out any longer. I reared my head and arched my back, screaming at the

26013

top of my lungs, cumming again and again until I collapsed flat on my back. I could not move a muscle as he lapped up every last drop. At last, it was his turn. I ripped his pants off in an instant. His cock was staring me in the eye as I planted a big, wet kiss on the tip of his pulsating shaft. I blazed a bold trail on his boner making his hose hum in my mouth as my tongue lapped it from every angle. It was so huge I was almost choking as I engulfed it down to the base. His cock was built for sucking because he resisted blowing his load prematurely. I worked my way down to his bloated balls taking each one into my mouth one at a time. I continued up and down his pulsating prick beating my tongue around his shaft as I worked my way from top to bottom. When I felt him about to blast off, I stopped for a few seconds. I wanted to save his pent up load for my pussy. I continued licking and sucking it like and ice cream cone on a hot day. He grabbed my hair, catching me by surprise. I pulled his cock out of my mouth trying not to have him erupt before having the opportunity to enjoy what I saved for him down below. He let loose a tsunami in a single thrust, giving me a hot pearl necklace. I wanted to lay back and enjoy his steamy load trickling down to my tits but I knew it wasn't over. His cock was still throbbing with energy as I laid on my back, holding his massive organ in my hand, drawing it closer to my scorching snatch. I teased him for a few moments wiping his sticky head around my vel-

vet rim. "I want to fuck you" he begged. I guided him as he rammed his cock deep inside of me with incredible speed. I threw my legs up in the air and locked them around his back like a python. I wanted to feel every inch of his intense manhood. He was like a kamikaze pilot dive bombing my passion pit. His cock rampaging back & forth built up an incredible amount of pleasure and pressure. "Oh my god, please don't cum yet", I cried. "I'm almost there." Rick delayed cumming for a few moments more until I was ready. I pounded on his back with both hands and clenched hard. "Now, now, now," I begged. At the last possible moment, Rick grabbed my ass with both hands sending several majestic blasts of cum splashing my insides. The feeling of his milky spunk sloshing inside of me brought me to another climax. Rick was trembling as I refused to let him go until I my grip broke with exhaustion. We embraced for a while, hugging and kissing. Then, Rick's cell phone rang. It was Edward. "Did you get to my house yet and pick up my briefcase," he questioned? "I just got here now. Something really big came up that couldn't wait. I'm leaving now." We looked at each other and smiled as he left. Edward never brought me to the heights that Rick did. He can have his little slut. I think I will keep Rick around for a while. By far, I definitely got the better end of the exchange.

REARED FOR THE FIRST TIME

There is a first time for everything and last night was that special night. Gianluca and I met while shopping at the mall about five months ago. He's great guy and even better in bed. Typical of most Italian men, he enjoys good food, fine wine, and outstanding sex. I had no problem with that because I could not get enough of his big, hard cock. He indulges in sex the same way he would a good home cooked meal—with gusto and finesse. He knows how to drill me practically through the mattress. When he fucks, *he fucks!* Even though things are great between us, there is one thing we have never done sexually. Gianluca always compliments me on how beautiful I am and what

every inch of his giant cock. He pulled his cock out of me, still standing at full attention. My juice gleamed on his dick like twinkling stars in his dimly lit apartment. He began nibbling on my ear and licking my neck. "I think tonight we try something new," he whispered to me. I knew exactly what he meant. I was ready to give him my anal cherry.

He rolled me onto my belly tickling my ass with his talented tongue. He kissed every inch of my firm ass while spreading my cheeks open. He licked my tight, little brown eye as he caressed my ass all over, making my entire body tingle. Sliding his hand underneath me, he found my crotch, slithering two fingers into my dripping wet pussy. "You make

"He worked his finger into my ass one knuckle at a time!"

firm, perky breasts I have but, he has a thing for my perfectly tight, round ass. Last night I discovered exactly how much he loves my rump.

We went to dinner at a nice little bistro. While we were eating, Gianluca kept teasing me the entire time. He kept rubbing my legs under the table and massaging my pussy with his toes. After dinner, we decided to go to his place. He barely got the key in the door and I was all over him. We rolled through the door and down onto the carpet. I opened his pants unleashing his massive Mediterranean serpent. Like a hungry orphan, I devoured his cock until it disappeared. I licked it up and down, burying his huge head under my tongue. He fingered my tight pussy until it was slick enough for his pleasure pole. He slid his cock slowly into my wet hole, gracefully sliding it back and forth. I couldn't hold out for very long as I creamed over

your own lubrication," he passionately whispered in my ear. I didn't know what he meant until he took his pussy-soaked finger and probed my tight virgin hole. He worked his finger into my ass one knuckle at a time until he buried the third knuckle. He began to slowly work his way back and forth, finger fucking my ass until it was relaxed. I knew at that moment that I was ready for the real deal. He propped me up on all fours kneeling behind me. I was a bit nervous at first, not knowing how it would feel. I anxiously waited with anticipation of his massive rod penetrating into untouched territory. Unexpectedly, he slid his cock back into my pussy, fucking me hard for a few minutes until he was lubed up with the slick honey from my twat.

Then I felt it! He teased my asshole with the head of his powerful cock. Gianluca gently worked the tip of his dick in and it was like no feeling I ever felt before. I was

still tense and could not relax. He was determined to go farther but in a gentle way—one inch at a time. It seemed like an eternity knowing he had quite a few inches to maneuver. He threaded all eight inches of his throbbing manhood deep into my anal cavity. "Can you feel that?" How could I not feel it, I thought. He was embedded at the center of my soul. I squirmed around in a circular fashion to get the sensation from every angle, and

he began fucking my ass with a commanding forward motion. My whole body was shaking. I thought I was going to split in half. I knew there was no turning back for me now, as he thrust back and forth so deeply that his balls were slapping against my clit, doubling my pleasure. He clenched both my cheeks, fucking me in and out, deeper and deeper. I couldn't catch my breath as I was on the edge of a new threshold. Gianluca's breathing got shorter and harder. He gasped a few words, but I could not understand a thing he was saying. All I could focus on was his huge cock drilling his way to China. I was on the cusp of cumming in a way I never felt before. As he rammed me forward, I lurched back with perfect rhythm, meeting him

halfway. Hammering back and forth, I swore I could feel his massive rod pressing into the wall of my stomach. He bronco-busted me harder and harder. I could not get enough of his pounding cock. Rearing up for the finale, he picked up the pace at an incredible speed. I knew it was time. We were both going to let go at the same moment. He screamed at the top of his lungs as he erupted a massive load of hot cum in my ass. Several more bursts filled me inside as his hot lava flowed over the rim of my hole. He collapsed on top of me as we both sank into the damp carpet below us.

This was a new sensation never to be forgotten. There is a first time for everything and this will definitely not be the last.

IF THE SHOE FITS...

I'm a shoe salesman. Okay, let's get the laughing out of the way. I know what you're thinking. The only guys who sell shoes for a living are either losers or have a weird thing for women's feet. I'm neither. Oh, don't get me wrong, my fingers have slid along some nice soles in my day, but it's not my sole purpose in life (sorry, a little shoe salesman humor there). My parents left me a large trust fund. While I don't have to

sometimes, when you least expect it, you might have the hottest experience of your life!

It was a rainy, nasty day. The store was dead, and I was the only one in there. I was reading a book (alright, a stroke mag) when the door opened and in walked this really hot chick. She looked to be about 30, with long, flowing red hair and green eyes, dressed in a short skirt, which really accentuated her curves. She seemed pleasant enough,

"She had a naughty, somewhat evil look in her eyes!"

work, I do need some kind of fulfillment. Selling shoes is easy, stress-free, puts me in human contact, and leaves me time to pursue other interests.

In the nine years I've been selling sandals, nothing too wild has happened. Like I said, my hand sometimes takes liberties, but it's nothing major, and the chicks never seem to mind a little foot fondling or calf caressing. Then, last week, it happened. An encounter so hot that I finally have fodder to write about and let everyone else out there know that,

sitting down, saying hello and telling me she wanted a pair of black, high-heeled pumps in a size seven. She had a naughty, somewhat evil, look in her eyes and her plush red lips seemed to curl into a mischievous smile.

I went to the stockroom and returned with a few pair of shoes. I took off the red heels she had on and drank in the sexy aroma of the leather and natural foot perfume. (I happen to enjoy the total scent of a woman.) As I pushed her sexy, high-arched right foot

DIRTY WORDS

into a black pump, she ever so slightly parted her thighs. I did a double—no triple—take. Instead of a muff, I saw a shaved, puffy, pink pussy staring back at me. She was sans undies and apparently wanted me to know it!

I placed both shoes on her feet, and asked how they felt. She said a little tight, then added in a sultry near-whisper, "But sometimes tight feels better. Don't you agree?" I gulped, and shook my head yes. She then asked to try on a second pair with higher heels.

She seemed to enjoy the sensation of my slipping the shoes on and off. As I put the second pair on, she told me they looked and felt very sexy. She then added, "When a good-looking man waits on me it's such a turn-on. Thank you so much." I told her how welcome she was. I threw caution to the wind and let my hand slide up her ankle to her thigh. She didn't resist, so I continued upward. My fingers caressed her thighs and she parted her legs even wider.

Instinctively, I began placing kisses on her inner thighs and she moaned. Then she lifted up her dress so that I had a clear view of her pussy, which, by this time, was glistening with excited moisture. I replaced the kisses with my tongue, licking my way up her quivering thighs to the "promised land." On my knees, my hands pulling her legs open as far as they would go, I buried my head in there. There was no stopping me as I began to lap away at her pink paradise. I love to eat pussy and girls seem to like my unique technique. By the way she moaned, I could tell she liked it, too.

My tongue savored her salty gooeyness. As I flicked away, she began to finger her clit. Her twat was really watering up, and the sweet taste and musky smell spurred me on to lick

even faster and harder. I felt her whole body shake and knew she was in the throes of orgasm. Needless to say, all this time I was working my very hard dick in my hand. When she composed herself, she looked down at my hard-on jutting out from between my zipper. She quickly pushed her shoes off and took hold of my steel-like rod between her soft, smooth soles.

I've had hand jobs and blow jobs—but never a foot job! All I can say is—Wow! She held her feet tightly on each side of my cock and began to piston it up and down. The warm canal of her soles almost felt as good as the insides of a tight pussy. Up and down she rubbed, then from side to side. I could feel myself losing my grip on reality. As her high arches made love to my cock, I could feel the jizz welling up in my balls. When she suddenly positioned her right foot so that she could grab hold of my manhood between her big and second toes, I knew the time was coming (no pun intended). She used her two toes as a lever to work my cock up and down. I exploded, shooting off right into the pair of new shoes on the floor.

She then quietly smiled, said, "Thanks for waiting on me. I'll take these. Don't wrap them. I'll wear them as is." With that, she eased her feet into the semen-soaked shoes, got up, put the appropriate cash in my hand, smiled again and said, "See you," and sauntered out. I could almost hear the squish as she walked. Dumbfounded, I sat in silence, trying to compose myself, while, at the same time, reliving the experience. So, now you can see why I like being a shoe salesman!

NEVER ENOUGH HOLES

I have some heavy-duty stuff to get off my chest and I really have no one to tell it to, which is why I decided to write you guys. I often read your mag and I figured this would be the perfect forum to unload (pardon the expression) my guilt. For reasons that may or may not be obvious, I must remain anonymous. But my story—Heaven help me—is true.

I'm a professional athlete and very, very successful at what I do. I'm 33, married with two kids, good-looking, fit—you get the picture. Anyway, even though my wife is a beautiful blonde with supermodel looks, I've always had a problem being faithful. I just have a hyperactive sex drive. I'm insatiable. Unfortunately, my wife found out about my flings, and to say the shit hit the fan would be putting it mildly. First, she physically took her frustrations out on me, then made my indiscretions public knowledge. At the moment,

our marriage is on the brink of collapsing. What made it worse is that I have a fondness for skanks. I can get any chick I want—anytime, anywhere. But, I like cheap, down-and-dirty sluts. This added to my wife's embarrassment. Right now, if she divorces me, I stand to lose mega, mega bucks—and my reputation. But I'm not here to lament all that. I just need to tell someone just how hot my life's been. I'm going to let it all out!

If I give you one example, you'll understand why I could never stop teeing off on new pussy. One particular time I was in Georgia, having just competed in a major event in my sport. Naturally, I won. As I've been wont to do, that evening I ventured out by myself, incognito. I wore a disguise so no one would recognize me. It was late at night and I drove to a 24-hour pancake house by myself. I was hungry and horny, so I figured I might as

well kill two birdies with one stone.

I walked in and was immediately greeted by a cute hostess. She was blonde, voluptuous, in tight jeans, not really pretty, but she had that nasty, whorish look in her eyes which gets me every time. As I followed her bubble butt to a table, I started to make small talk. She was pleasant, but it wasn't until I removed my cap and fake glasses that I saw her face light up with the intensity of 1000 fluorescent lights. I wanted her to know, and she did. After all, you don't get too many multiguns when you're trying to attract the opposite sex.

We flirted for a few minutes. While I was eating my "stack," she came back for some more small talk. Not one to putt around a subject, I came straight out and told her, "Listen, babe, I'm horny and I want to fuck you. You game?" The subtle nod of her head and gleaming smile told me all I needed to know. She said she'd tell the owner she wasn't

feeling well and to meet her out back. A few minutes later, we were speeding away in my favorite SUV (at the time intact, but no longer, yet no need to go into the gory details here) back to my very swanky hotel.

I told Honey (that's the name I gave her that night, 'cause there have been so many I just call them by innocuous general monikers) to get undressed. She pulled her clothes off to reveal a real nice, lush body that made up for her only-attractive-but-far-from-stellar face. She told me that, "I love to fuck and I'm good at it." Brother, I believed her.

Then I took my clothes off. There was an audible gasp. Let's just say if I wasn't a naturally talented—read that great—athlete, I could have been the king of porn stars. I've got a real long, steel-like club I use to drive my point home! This chick was really in awe of me, as they all are (except my wife). She fell to her knees and wasn't shy about trying to shove as much of my manhood

DIRTY WORDS

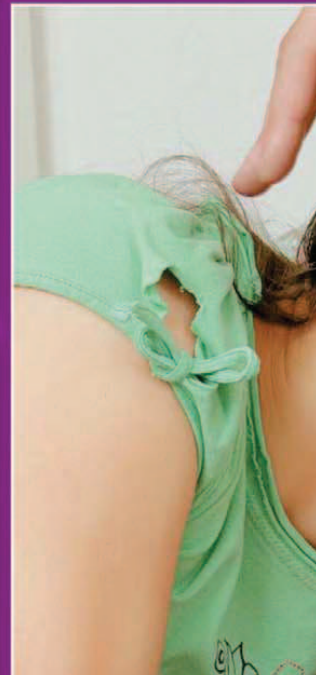

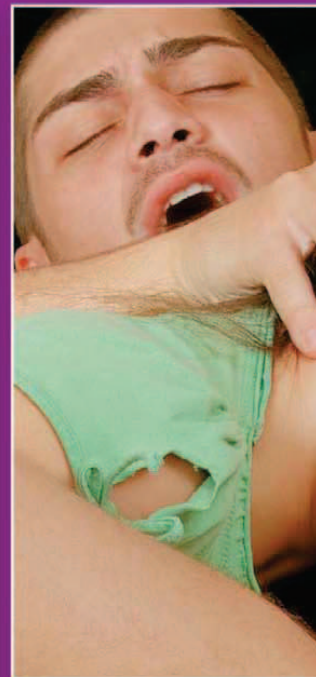

into her mouth as possible. I used her hair to help piston her head up and down on my pole. Inch by inch, she managed to take more and more inside of her warm, who-rish mouth. Even so, she couldn't manage the whole thing.

Well-lubed by her sticky saliva, I pushed Honey onto the bed. On tv, it just so happened that "SportsCenter" was on, and they were showing video of my stunning victory earlier that day. I flipped her over and fucked her doggie-style as she watched me ace the win. The combination of my intense hard pounding and the fact that she was actually doing it with someone famous (watching me in 2D and being fucked by me in 3D) was too much for this chick. She went into hyper drive, bucking like a wild stallion, creaming like a cow being tapped for a keg, and then cumming like a banshee in heat. Honey was hot—and insatiable. She told me, "I want to give you something special to remember me by. I've never been fucked in my ass. Please pop my asshole cherry!"

No prodding needed here! Holding her juicy ass cheeks between my large, strong hands in a rather well-known grip, I positioned my throbbing cock over the portal of her anal opening, then drove inside. Talk about a hole-in-one! As she screamed with unrepentant pleasure, I slid in, only halfway, but more than enough for each of us to feel the ecstasy. I had fucked several asses, but this one was even tighter and hotter than most. I pumped away deliberately, with conviction, as each knowing thrust sent Honey into a deeper rapture and me closer to the edge. When I came, it was in torrents, cascading out of Honey's asshole, down her cheeks, and onto her thighs. She almost passed out when she orgasmed—gasping as if hyperventilating, clutching the sheets and moaning, "Thank you, thank you."

We spent the rest of the night together then said our goodbyes the next morning. And yes, I still keep in touch with Honey, as with most of my other "Honeys." That's why I'm in the situation I'm in right now. It's not easy being the butt of jokes because of my penchant for butts. But that's life. Anyway, thanks for letting me unburden myself. I guess you can sign me... I'm not a lyin'.

CHIVALRY REWARDED BY BLOWJOB

I don't know what came over me. I was walking down the street and suddenly some girl about fifty feet behind me started screaming, "He pinched my butt! Get him! That guy walked by and pinched my butt!" I turned around to see what it was about, and she was pointing at a skeezy looking guy, and suddenly I was dashing over and took him down in a flying tackle on the grass in front of an office building. This was so unlike me. When I think back, it must have been that the gal was so pretty that a subconscious button had been pushed and I thought, "Here's my chance to be a knight in shining armor for a real beauty." Ordinarily, I'm no hero, and no super-stud who usually gets this quality of chick. It was a crazy adrenaline I'd never known before that propelled me to the deed.

Unfortunately, the guy was really strong and his adrenaline to flee superseded mine to apprehend. He hit me so hard in the ribs that I crumpled and he fled. Her name was Phillipa. I almost threw up I was so hurt, lying on the grass panting when the girl reached me. I felt both like a failure and a fool because up close, I realized how desperate the guy looked, and that I had taken an awfully big chance to just to act like the kind of tough guy I really wasn't.

The girl seemed unnerved. I think the idea that I might have been badly hurt suddenly paled in comparison to her being pinched. "Oh my god—but thank you for trying," She said, helping me up. "Are you okay?" I said breathlessly, as he just knocked the wind out of me.

She told me to come up to her office where

she had a couch I could lay down on for awhile and rest. Her name was Phillipa and she worked in a marketing firm as an executive. She closed the door and nobody could see in through the frosted glass. Being fussed over by a young woman who looked this good was better than any salve would have been.

"That happened to me once before on the street and nobody did anything," she said. "I think I was still angry from the last time, and that's why I started screaming."

"At least we're both okay, I think."

She sat down next to me. Although she had on conservative business

come back again—gorgeous face and all—stripping thoroughly. She twirled around and showed me her ass, now naked. I have to say it was quite perfect.

Naked, she knelt in front of me and said, "You might have been killed," and then she took off all my clothes, too. She looked at my bruise, and kissed it tenderly on her way to my cock, which stood up like a scepter. I did feel a bit like a king at that moment. Watching her movie star face take my meat into her lips was almost more than I could handle. With every suck I felt the painful twitch of my bruise, but I manned

"You can pinch my
ass, and more!"

clothes, I could tell she had a great body, and her face...well, I'm a face man and I was hooked.

She put her hand on my trouser knee and squeezed. "Do you always come to the aid of women in distress?"

"That was my virgin experience along those lines," I said. She laughed and moved her face closer to mine, trailing her hand up to my groin until my cock stirred in my pants. "You simply inspired me to act."

"Well," She said, taking my hand and moving it around her waist, "You can pinch my ass. And more." We kissed deeply.

She got up and locked her office door. "I don't know what's come over me. I have to fuck you. And you have to fuck me."

"The way my side aches, it'll be better if you do the fucking," I quipped, watching her

up because this was one reward I was going to enjoy fully. I put my hands on her fluffy hair while she blew me in tribute to my probably-insane bravery. "Don't worry if you cum fast the first time," she said, "I would never hurry a man as daring as you." It didn't matter that it sounded to my ears like she was talking about somebody I didn't know. I shot a huge load in her mouth, and I wouldn't be surprised if the other people in her office heard my every last grunt through the frosted glass of her office.

Happy to say, it took about five more hours for her to fully pay tribute to my courage. And we still get together for occasional reunions of damsel and knight.

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

COZY COCK CHAMBER!

I like to watch my sometime bed-buddy, Brick, play with himself. Call your reviewer kinky, but I think it's fun to put a guy in the position where he's naked and entertaining me while I'm sitting there fully dressed and smoking a cigarette while wearing long black gloves! But, when I get tired of seeing him stroke just with his big ol' bare mitt, I ask Brick to use something like the Travel JackMaster from Cal Exotics. Isn't it cool? It comes in blue or smoke, and its dual-sided pleasure chamber is lined with tinglers and ridges that Brick says make his boner feel pretty damn good while he whacks it. The JackMaster has a "flexi-grip design" so that Brick can control the pressure of his stroking—and of course it opens easily for cleaning after the mess is made! The JackMaster measures about six-by-three inches, in what is known as the "discreet travel size." Go to www.calexotics.com and find it under the New Products section and give your girl a show just like I get from Brick! She might even want to tip you when you're done!

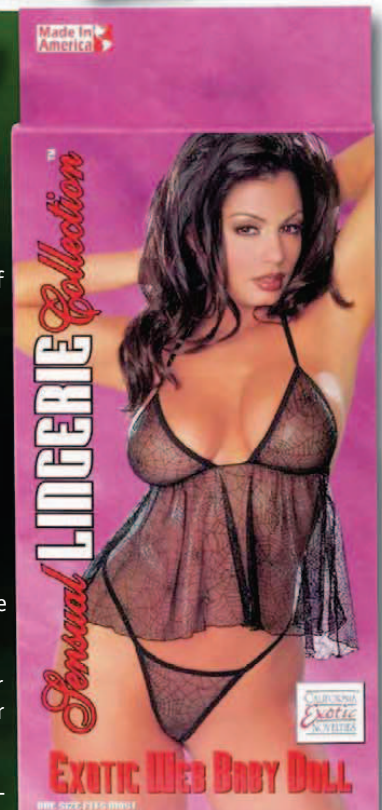

GIVE HER A TECHNOGASM!

Do you ever wonder what happens to guys who played with remote controlled trains and miniature cars when they were young? Some of them—like my bed-buddy Brick—grow up giving their girlfriends the 7-Function Remote Bullet, which gives them the power to stimulate their ladies' pussies from a distance! Brick and I took a walk in the park while I was wearing the slim bullet in my cunt under a loose-fitting new dress. He used the push button remote with its cool telescoping antenna to send powerful sensations right into my vulnerable little cookie! I sat down on a bench and Brick stood by a tree and just watched me as I tried my best not to twitch too much and reveal how I was actually cumming under my dress right there in public! I kept pulling my hem over my knees but I don't think I fooled anybody, especially one ninety-year old guy who kept walking by and winking at me! Anyway, seven speeds times seven functions of vibration and pulsation—add up to 49 different possibilities for how quickly and intensely a girl's honeypot is going to get wet when her man is pressing the remote. So guys, if you want to feel like a combination of lover and mad scientist, go to the Advanced Technology page at www.calexotics.com and get info on how to order your 7-Function Remote Bullet! It comes complete with batteries, too!

BIKINIS & BABY DOLLS, OH MY!

I can't lie: I picked up these items for the pictures on the packs! I told you in the last column that I'm definitely bi-curious when my fuck buddy, Brick, isn't around to prod me with his hard-on, and the pictures on these boxes of famous model, Aria Giovanni, just made me cream my undies! I can't pretend that I have anything resembling a body like hers, so if I wore these items, they would look good, but nowhere near as crazy gorgeous as they do on Aria. However, I bet I would feel as sexy as Aria, because I love to prance around in little wispy things that barely cover my body. And when I dab on a little perfume like Estee Lauder's flowery scent, Sensuous, Oh my god, I'm good to go—or, should I say—good to fuck! Still, getting back to my lezzie side, I sure wish Cal Exotics would send Aria on a personal appearance tour promoting the 100% nylon Exotic Web Bikini and Web Baby Doll from their Sensual Lingerie Collection, so I could meet her and get her autograph or something! But, I would probably just stand there like a drooling doofus of a fangirl and just tell her how beautiful she is. Oh well! Anyway, you can find these sweet little things in the Sensual Attire section at www.calexotics.com. Well, guys and girls, until next issue, take your Naughty Little Ivy's suggestions and have a Playtime to remember!

THE BIG CREAM

THIS CUTIE DRAWS MAJOR LOADS

You couldn't wait to hook up with Callie. From the first moment you met her in your freshman Geology class, you were excited by her trim little body, her cute eyes and that pierced tongue. You figured she was wild, but until you got alone with her, you had no idea of just how insanely lewd she could be...

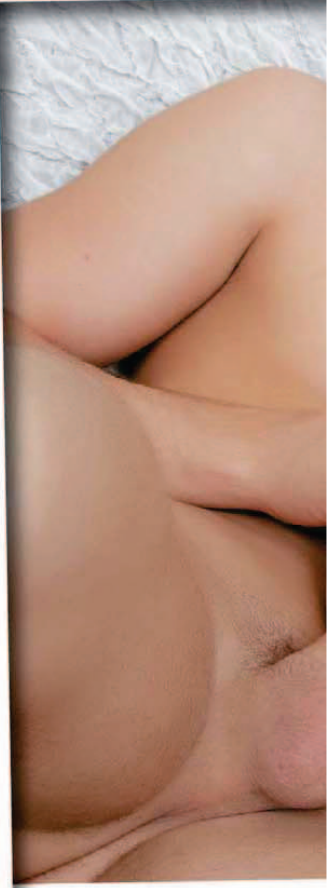

It was one thing that she fit so much of your obscenely thick dick in her mouth within the first five minutes of your arrival at her dorm room, but she had you lapping between her pussy and asshole two minutes later! Her taint was so sweet and salty, you couldn't stop licking it—and then, a few minutes later, she put you right inside her snug pussy and twisted her nimble body into a pretzel so she could watch every stroke of your meat going deeper into her slit. She was fascinated by it as if watching her pussy get

IS ALWAYS WATCHING
HER HAVE SEX WITH
YOUNGER ONES...**

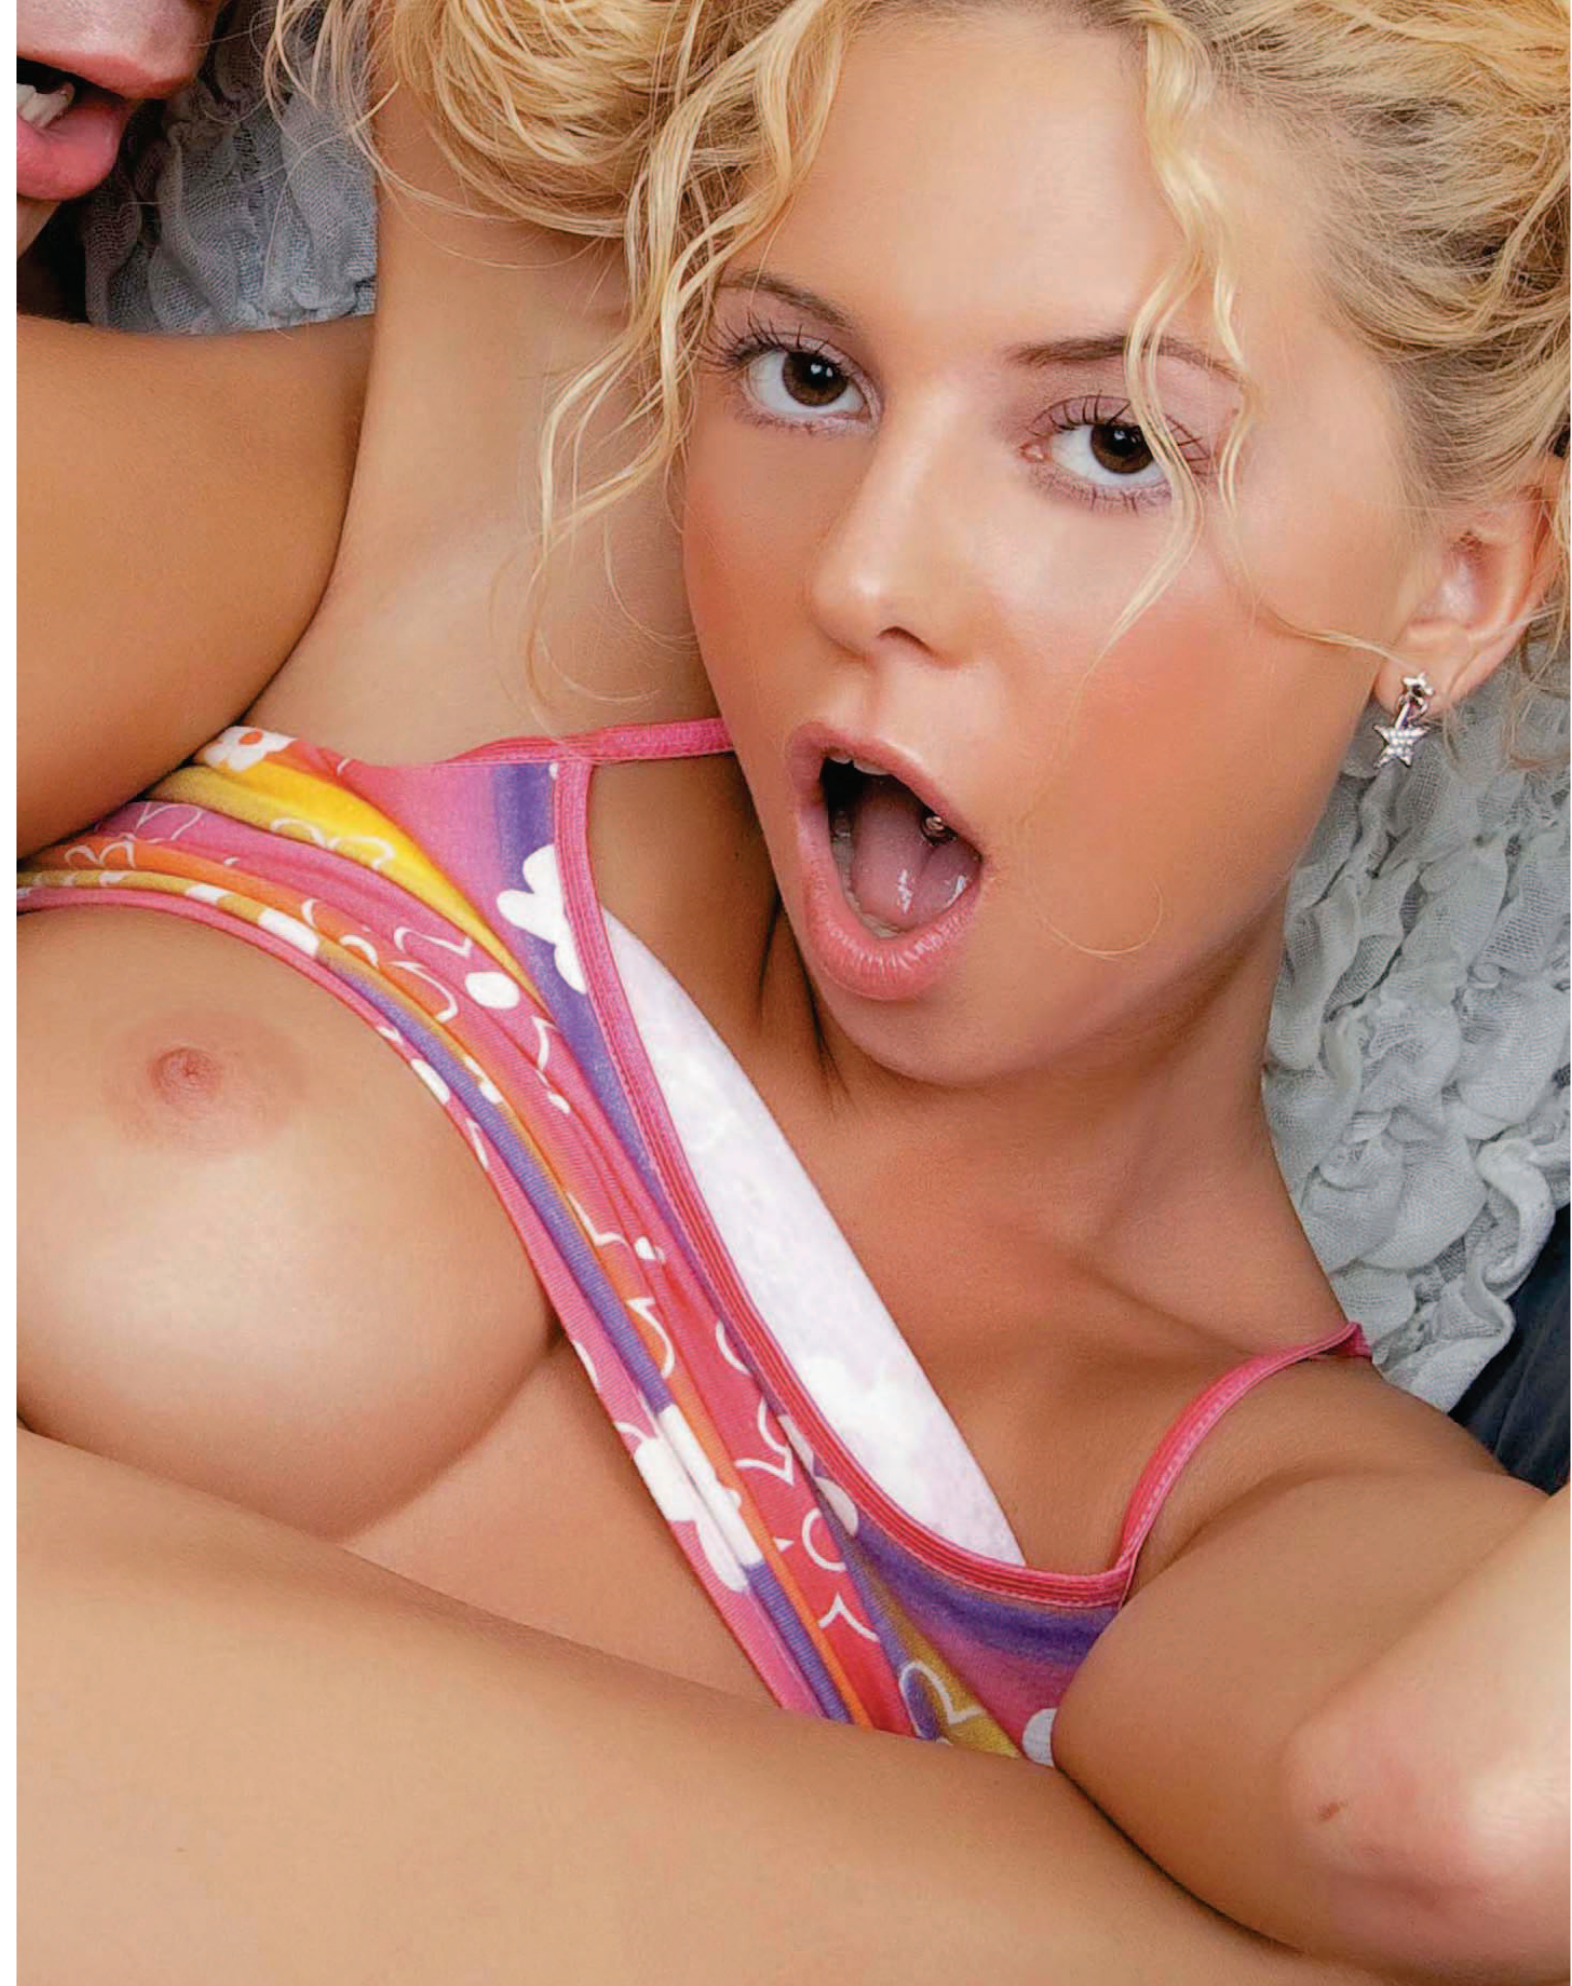

plowed was her favorite reality TV show!

Callie sucked your cock like it was the last one she'd ever have. You kept your cool, trying to hold back, to keep on fucking her, prolonging her pleasure and your own, but she made it difficult for you. That pierced tongue and the way she worked that little stud on the underside of your meat were making you crazy to squirt. She was using every trick in the book to make you explode!

Then she started with the ball-licking. This cute piece, nuzzling your nut—that's what did it—that's what sent you over the top. So you said, "What the hell?" You'll get hard again soon and you put her face in position for the Big Cream. It shot out in hot splashes that made her look so beautifully nasty... and ready for more! ♡
